"Heart & Soul" Married Couples

Married Couples is a resource for married couples, engaged couples, and couples considering marriage who seek to build their foundation on the word of God. Couples are equipped with the tools to be united by allowing God to be the head of their marriage or relationship via proper communication, enjoyment, and adequate time with each other. This is a ministry of fellowship, hope, and encouragement.

“For we are members of His body, of His flesh and of His bones. For this reason a man shall leave his father and mother and be joined (cleaved) to his wife, and the two shall become one flesh.” Ephesians 5:30, 31
